Driving Instructions

DRIVING FROM DAYTON INTERNATIONAL AIRPORT

Take the Dayton International Airport Access Road for about 2 miles towards I-70. Take ramp onto I-70 eastbound towards Columbus. Stay in right lane and take the next exit (exit 33A) to get onto I-75 southbound to Dayton. Stay on I-75 south to Dayton for about 8 miles. At exit 54C, turn left onto ramp for Route 4/Webster Street. Continue on Route 4 (towards Springfield) for about 4 miles. Continue past the Stanley Street exit; you will see Eastwood Lake on your right. Take the next exit for Harshman Road. Stay in right lane and turn right onto Harshman Road southbound. In less than a mile, you will pass Eastwood Lake Park on your right. In one-half mile take the Springfield Street exit (not labeled). This exit is on your right immediately after the top of the incline (Springfield Street overpass). As you exit, stay to your left. At the traffic light, turn left onto Springfield Street, then turn left immediately into the office park on your left. Our building is tallest (5 stories) one on the right side. Our suite is first one on the right when you enter the building.

Directions to Dayton PRICE Office from Area Hotels:

From Fairfield Commons Mall (Beavercreek): Take New Germany-Trebein Road west until it ends (about 1 mile). Turn right at traffic light onto Grange Hall road. At second light, turn left onto Airway Road. Follow Airway Road until you reach Woodman Drive (about 2.5 miles). Turn right onto Woodman and continue for about 1.5 miles. After last left-hand bend, take exit ramp on right. At stop light, turn left and go under overpass. Immediately past the next traffic light, turn left into office complex. Our building is tallest (5 stories) one on the right side. Our suite is first one on the right when you enter the building.

From Wright State University Area: Take Colonel Glenn Highway westbound. When it crosses National Road after traveling 2 miles, follow Airway Road until you reach Woodman Drive (about 2.5 miles). Turn right onto Woodman and continue for about 1.5 miles. After last left-hand bend, take exit ramp on right. At stop light, turn left and go under overpass. Immediately past the next traffic light, turn left into office complex. Our building is tallest (5 stories) one on the right side. Our suite is first one on the right when you enter the building.

From Dayton North (Miller Lane):

Take I-75 southbound to Dayton for about 7 miles. At exit 54C, turn left onto ramp for Route 4/Webster Street. Continue on Route 4 (towards Springfield) for about 4 miles. Continue past the Stanley Street exit; you will see Eastwood Lake on your right. Take the next exit for Harshman Road. Stay in right lane and turn right onto Harshman Road southbound. In less than a mile, you will pass Eastwood Lake Park on your right. In one-half mile take the Springfield Street exit (not labeled). This exit is on your right immediately after the top of the incline (Springfield Street overpass). As you exit, stay to your left. At the traffic light, turn left onto Springfield Street, then turn left immediately into the office park on your left. Our building is tallest (5 stories) one on the right side. Our suite is first one on the right when you enter the building.

From Downtown Dayton (South): Take I-75 north to Route 4 interchange. Stay in far right lane. Take Route 4 north (to Springfield) for about 4 miles. Take the Harshman Road exit. Stay in right lane and turn right onto Harshman Road southbound. In less than a mile, you will pass Eastwood Lake Park on your right. In one-half mile take the Springfield Street exit (not labeled). This exit is on your right immediately after the top of the incline (Springfield Street overpass). As you exit, stay to your left. At the traffic light, turn left onto Springfield Street, then turn left immediately into the office park on your left. Our building is tallest (5 stories) one on the right side. Our suite is first one on the right when you enter the building.
